

Abstract Submission Guidelines: PCSIR SciTech Conference **2026**

Oral Presentation:

- ❖ Abstracts must be "original and unpublished". Review articles, case reports, and case series may also be submitted if relevant.
- ❖ Abstracts must be submitted only through the official submission email:
scitechnexus2026@pcsir.gov.pk
- ❖ The registration form must also be filled and sent along with the abstract.
- ❖ The file must be submitted using the following layout: **Author name + short title + thematic area**.
- ❖ Format should include Title (concise, descriptive, indicating study type), Name of Author(s), Qualification, and Institutional Affiliation (city, country).
- ❖ **Corresponding author:** Designation, full postal address, phone number, and email.
- ❖ Please structure your abstract using the following headings:
 - **Background:** Brief context and study objective(s).
 - **Methodology:** Study design, participants (number, characteristics, inclusion/exclusion), interventions, statistical analysis, ethics approval, and trial registration (if applicable).
 - **Results:** Number of participants analyzed, key findings with relevant statistics, and important adverse events.
 - **Conclusions:** Main interpretation, significance, and brief limitations.
 - **Funding:** Source of funding or state "None".
- ❖ Abstracts must be written in clear scientific English; vague abstracts will not be accepted. Use SI units and define abbreviations at first use.
- ❖ Abstracts must be 250 to 300 words (excluding title and keywords). 3 to 5 keywords are required.
- ❖ No figures, tables, or references are allowed.
- ❖ All abstracts will be subject to peer review. Plagiarism will result in rejection.

Poster Presentation:

Poster Format:

- ❖ **Poster Size:** 3 x 7 ft.
- ❖ The poster has to be printed by the author itself.
- ❖ The poster should be organized into sections: Introduction, Methods, Results, and Conclusion.
- ❖ Abstracts must be submitted only through the official submission email: scitechnexus2026@pcsir.gov.pk
- ❖ The registration form must also be filled and sent along with the abstract.
- ❖ The file must be submitted using the following layout: **Author name + short title + thematic area.**
- ❖ Presenting author must be available during the poster sessions.

Only selected papers will be published in the abstract book.
